

*Meeting you where you are. . .Are **YOU** ready?*

Strong Finances. Strong Families.

**In this series of workshops and seminars
designed to suit your busy schedule within the comfort of your home,
we will explore:**

- Module 1:** My relationship with money: Historical, Social, Behavioral and Cultural Framework
- Module 2:** How can I achieve work/life balance with so many responsibilities to juggle?
- Module 3:** Time-Electronic-Paper-Spatial Organization: How can I reduce clutter and increase efficiency?
- Module 4:** How do I capture my expenses in order to create a Budget and Spending Plan?
- Module 5:** How can I save more, spend less, and build my assets? (This includes learning how to negotiate)
- Module 6:** What are credit card debt management and elimination strategies that I can implement?
- Module 7:** Credit Reports, Credit Scoring and Credit Repair. What do I need to do *right now* as a renter in order to prepare for homeownership?
- Module 8:** How can I protect myself from America's fastest-growing crime—Identity and Cyber-Theft—while protecting my privacy in this digital age?
- Module 9:** How can I purchase a vehicle without being taken for a ride?
- Module 10:** What resources are available to aid me with excessive debt?
- Module 11:** *Resources Extravaganza Across-the-Board!*
- Module 12:** What do the wealthy know and do that I don't? How do I build my Financial Team to aid in Asset Growth, Management & Protection? How can I engage in Individual and Community Philanthropy?

- Module 13:** Owning My Own: Turning My Passion into Profit and Monetizing what I'm already doing—How in the world do I get started in small business entrepreneurship?
- Module 14:** How can I seek alignment with the right job for me?
- Module 15:** *Bonus:* How Do I Publish, Market and Sell My Self-Published Book?
- Module 16:** *Bonus:* How Do I Get Started in Special Events & Conference Management?
